INDUSTRIAL HERITAGE
FOR TOURISM

INDUSTRIAL HERITAGE

Industrial heritage is a part of our cultural heritage. It demonstrates the development of industrial technology, the changing production methods and working conditions, and helps us to understand the history and development of society more broadly.

BALTS'
ROAD

BALTS' ROAD

The "Balts' Road" is 2145 km long, and is further subdivided in the Couronian, Semigallian and Selonian route segments. Each of the segments runs through areas in Latvia and Lithuania, where once some of Balts' tribes – the ancient Couronians, Semigallians and Selonians – lived.
